Digging Deeper

1. Who has been one of the biggest encouragers in your life and how did he or she encourage you?
2. Read Acts 19:1-12 together. Summarize the story in your own words. What ways did Paul encourage others? Where in the passage do you specifically see this?
3. Read 2 Cor. 8:1-5 in smaller groups. How did the Macedonian churches encourage? What do you learn and admire about their attitude? How does this enhance your understanding of Acts 20? (Optional: Share how you have been the recipient of this type of encouragement)
4. What is the second way that Paul encouraged the churches? Why is this important in today's technological society? What does this look like your life?
5. Read 2 Thess. 2:16-17. How does this passage relate to Acts 20:9-12? How does this encourage you to encourage others?

Living it Out

1. Who is God calling you to encourage this week/month? How will you do this specifically?
2. How does the encouragement of the resurrection encourage and empower to face your current circumstances?
3. How can this group encourage you in your current circumstances?
4. Pray for one another.
