## Digging Deeper

1. What do you imagine Hell will be like?
2. Read Mark 9:43-48 and Matt. 8:12. What do these teachings of Jesus reveal about hell? In light of what is present in hell, what things are lacking there?
3. Read Psalm 51:4. How does this help us understand why Hell is an *eternal* place?
4. What does Psalm 96:10-13 teach us about God? What does it teach us about Hell?
5. Read John 14:1-5. Why are these words of Jesus the key to determining the location of our future destination?

## Living it Out

1. How does the reality of Hell make you feel at this time? Why? How do these feelings relate to your relationship with God?
2. How does the reality of Hell affect your feelings about the cross and about heaven? Spend time expressing these feelings to God in prayer.
3. R. Alcorn said, "For Christians, this present world is the closest they will come to Hell. For unbelievers, it's the closest they will come to Heaven." How does this truth affect your present trials? How does it affect your personal evangelism?
