## Digging Deeper

1. What is one thing that you learned or experienced during this last Bridge session that stood out to you? (i.e. What is one thing that God taught you?)
2. Read Acts 18:1-11. Review the content and flow of the narrative together as a group.
3. In light of Acts 18:1-5, what does the term “tentmaker” mean in the broader Christian context today? What does this teach us about “professionalism” in ministry?
4. In what ways can you be a “tentmaker”?
5. Read 1 Peter 2:9. Why are believers called a “royal priesthood”? How does being a “priest” make you feel? How should it change your life?
6. According to Acts 18:9-10 and Heb. 13:20-21, why should you be confident as a minister? Are you? Why or why not?

## Living it Out

1. What is one way that you can be a faithful “minister” in and outside of the church? Do you feel called or confident to serve in this way?
2. What is one way that this Bridge group can support you during the break period?
3. Pray with and for one another.
